

ASME Group Life Insurance Program

Term life coverage is the purest kind of life insurance, offering peace of mind for you and your family, so you can enjoy life today and at every stage. And with a variety of coverage to choose from, you can select the coverage that best fits your family's needs.

ASME Group Life Insurance Coverage offers:

- **No exclusions!** After coverage is validly in force for two years, benefits are payable upon death from any cause, at any time, anywhere in the world.
- **Convenient monthly payment option** — Electronic funds transfer (EFT) option offers a time-saving convenience.
- **Portable coverage** — Coverage that can follow you throughout your career, no matter where you work.
- **Living Benefit Option** (“Accelerated Death Benefit”) — Available to help terminally ill insureds during difficult and financially challenging times. (subject to certain policy restrictions and limitations.)
