

FACT SHEET

LIFELock STANDARD

LifeLock Standard™ identity theft protection uses innovative monitoring technology and alert tools to help proactively safeguard your credit and finances.† We'll send you alerts for suspicious activity by text, phone, email or mobile app.** If identity fraud does occur, an Identity Restoration Specialist is there to personally manage your case.

Benefits of LifeLock Standard

- ✔ **LifeLock Identity Alert® System†**
The patented LifeLock Identity Alert® system monitors over a trillion data points for fraudulent attempts to use your Social Security number, name, address or date of birth in applications for new credit cards, wireless services, retail credit, mortgages, auto and payday loans. The system alerts you to suspicious activity by text, phone or email.**
- ✔ **Black Market Website Surveillance**
Identity thieves illegally buy, sell and trade personal information on black market Internet sites around the world. LifeLock patrols over 10,000 criminal websites and notifies you if your private data is found.
- ✔ **LifeLock Privacy Monitor™ Tool**
Your personal information may be available to anyone online. Your name, address and age can be found with just a few keystrokes. LifeLock Privacy Monitor™ tool searches a list of common people-search websites and Internet-based advertising companies to find your information. We can then help you opt out of these databases and remove or suppress your information.
- ✔ **Address Change Verification**
Mail containing financial information can be vulnerable to identity thieves who may attempt to divert it. LifeLock monitors change of address requests and notifies you of requests with your personal information.
- ✔ **Lost Wallet Protection**
A lost or stolen wallet can leave you stranded. If your wallet goes missing, just call and LifeLock will help cancel or order the contents, helping protect you against fraudulent charges so you can get back on your way. Coverage includes: credit and debit cards, driver's licenses, Social Security cards, insurance cards, checkbooks and travelers checks.
- ✔ **Reduced Pre-Approved Credit Card Offers**
LifeLock requests that your name be removed from many pre-approved credit card mailing lists, an important information source for identity thieves.
